Dear Mr. Del Toral:

We are pleased to inform you that your manuscript has been accepted for publication in Environmental Science & Technology. Your manuscript has been forwarded to the ACS Publications office. You will be

contacted in the near future by the ACS Journal Publishing Staff regarding the page proofs for your manuscript.

Your page proof will be prepared by our staff in Columbus, Ohio, and will be sent to you electronically. After you approve your page proofs, your manuscript will be published on the Web in approximately 48 hours. In view of this fast publication time, it is important to review your page proofs carefully. In addition, the Editors assume that all patent and Journal Publishing Agreement issues have been resolved before articles are submitted. ACS considers that the date on which the article is published on the Web is the official date of publication. Any change to the manuscript once it appears on the Web will need to be submitted to the journal office as additions or corrections.

If you have further questions about your paper, please contact the ACS Journal Publications staff directly at acsproof@acs.org. Be sure to identify the journal and manuscript number. We have enjoyed working with you on this paper and look forward to receiving other contributions from you in the future.

Sincerely,

Prof. Xiang-dong Li
Associate Editor
